# Staying Safe Online

## 1. Which of these are safe both online and offline?

- a) Talking only to people you know
- b) Staying out of trouble
- c) Following your family's rules
- d) All of the above**

*Answer feedback*

The correct answer is **d**. Staying safe online is a lot like staying safe offline. You know it is safest to talk only to people you know, to stay out of trouble, and to follow your family's rules.

## 2. Which is the “right site” for kids your age?

- a) An online newspaper with hard words
- b) A site with games that your parents say are okay**
- c) A site where you can talk to people you have never met

*Answer feedback*

The correct answer is **b**. Some subjects are better for older people, like on site “a”. Sites where you can talk to strangers, like site “c,” are not safe for kids.

## 3. You should use caution if you are not sure that a site is right for kids your age, or if a site asks for your private information. Caution means:

- a) Being careful**
- b) Being silly
- c) Being angry
